

# Maxi 140

The Maxi recycling bin provides a larger capacity for higher footfall areas both indoors and outside. Ideal locations include food halls, university campuses, entertainment venues and parks. Link them together to form 'Recycling Zones'.

**The Maxi is the solution for recycling in larger areas.**

- Slimline, compact & space saving design
- Comfortable usage for cleaning staff
- Slam shut door with four strong latch points
- Double skin moulding throughout for exceptional strength
- Easy to use sack retention hoop system
- WRAP compliant, colour coded, apertures and graphics as standard
- Aperture shapes include slot, hole, large hole and propeller
- Area for personalised graphic or logo
- Key lock optional for secure outdoor use

Unique full frontal door system makes emptying a full bin a much easier task!

Black base made from 100% recycled plastic\*
