

Meridian 87/110

The Meridian was originally designed for universities, and is now part of the furniture in hospitals, schools and businesses. Available in two sizes the Meridian offers a great versatile option for your recycling needs, choose the apertures you require.

The 110 capacity model was designed in partnership with Greenwich University. The 87 capacity model was designed in partnership with Coventry University.

- Ideal for a wide range of internal waste recycling situations
- Use individually or in a group
- Wide range of aperture options (100, 70/30, 30/40/30%)
- Removable liquid reservoir complete with non-spill moulded funnel
- WRAP compliant colour coded apertures and graphics as standard
- Label personalisation
- Area available for personalised graphic or company logo

- Slim body profile makes it ideal for placement along corridors and narrow walkways
- Rotationally moulded A3 signage kits are available, optional securing to the back of the unit or wall mounted
- Optional - Bin Linkage
- Hinged lift lid with ergonomic groove for easy lifting
- Standard posters available

Create the bin of your choice with our mix and match apertures.
